

# CWUR RATING SYSTEM

**RATED FOR EXCELLENCE**

## **STAMFORD INTERNATIONAL UNIVERSITY**

The Center for World University Rankings, through rigorous audit and analysis of performance indicators as set out in the CWUR Rating System methodology, rated Stamford International University for the period 2023 – 2025.

The CWUR Rating System evaluates universities on four measures: education, employability, faculty, and research. For each of the four categories, institutions receive one out of ten possible letter-grade ratings – ranging from A+ to E.

Dr. Nadim Mahassen, President  
Center for World University Rankings
